

The background is a vibrant blue with abstract yellow and white patterns. A large, glowing blue number '2010' is prominently displayed in the upper half of the image. The number has a white outline and a blue fill, giving it a three-dimensional appearance. The '2' and '0' are stylized, while the '1' is a simple vertical bar and the second '0' is a standard oval shape. The overall design is modern and artistic.

★ End of a Chapter ★

Mrs. Kottke
Kindergarten Teacher

Teaching kindergarten at Maroa-Forsyth Grade School is very gratifying. I see the growth the students make and how they master the goal to read and learn is amazing.

The students, parents, teachers, and administrators have all helped to make my years of teaching very special. I look forward to my "long vacations" (to quote one of the kindergarteners.)

Sincerely,
Mrs. Kottke

Learning is a treasure that will follow its owner everywhere. -Chinese Proverb

★ Success is doing ordinary things extraordinarily well. -Jim Rohn

Being principal at Maroa-Forsyth Grade School has been an excellent experience and I am proud to have been a part of such a great school district. As I enter the next adventure of my life, I will take with me the many memories that MFQS so graciously bestowed upon me. Thank you for letting me be a part of your life.
